HOW DOES IT FEEL TO SEE YOURSELF ON STYLECRUZE MAGAZINE?

*It feels very rewarding, especially because this editorial represents a visual direction that feels authentic to me — refined, cinematic, and fashion-oriented. I'm grateful to be part of a publication that appreciates strong editorial storytelling and creative identity.*

WHICH CELEBRITIES DO YOU BELIEVE ARE THE MOST INFLUENTIAL?

*I'm most inspired by people who have built a recognizable identity through consistency and presence rather than trends. In fashion, I admire women like Vittoria Ceretti, Anok Yai, and Yasmin Wijnaldum for their elegance, careers, and confidence. My timeless role models are Audrey Hepburn and Princess Diana.*

WHERE DO YOU THINK YOU WILL BE AFTER 5 YEARS?

*I see myself continuing to grow internationally within fashion, beauty, luxury campaigns, and editorial work while also building a long-term personal brand connected to aesthetics, wellness, and refined visual storytelling.*

HOW WOULD YOU DESCRIBE YOURSELF IN 5 WORDS?

*Disciplined, elegant, observant, creative, resilient.*

WHERE DID YOU GROW UP?

*I grew up in Brazil and later moved to the United States. Experiencing different cultures helped shape both my personality and my aesthetic perspective.*

DO YOU HAVE ANY FAVORITE CLOTHES?

*I love timeless pieces with strong silhouettes — tailored black garments, elegant swimwear, long coats, minimal dresses, and anything that feels refined but effortless.*

HOW MANY OTHER LANGUAGES DO YOU SPEAK?

*I speak Portuguese, French, and English fluently, and I also speak Italian and Spanish.*

IF YOU COULD PASS ON ONE MESSAGE FOR YOUR FANS, WHAT MESSAGE WOULD THAT BE?

*Protect your individuality. In a world that constantly encourages comparison, I think there's real power in refinement, consistency, and staying connected to your own identity.*

WHAT IS YOUR DREAM COLLABORATION?

*I would love to collaborate with luxury fashion, swimwear, beauty, and jewelry brands that value elegant visual storytelling and timeless aesthetics. I particularly admire Dior, Gucci, Hermès, and Versace.*

WHAT STEPS DO YOU TAKE TO MAINTAIN YOUR PHYSICAL APPEARANCE?

*I practice ballet, strength training, and cardio. For me, it's about discipline and consistency rather than extremes. I work out every morning when I wake up and focus on movement, skincare, recovery, healthy nutrition, hydration, and maintaining a balanced lifestyle overall.*

WHAT IS YOUR GREATEST STRENGTH AND WEAKNESS?

*I would say my greatest strength is discipline and my ability to stay focused long term. My weakness is probably being overly detail-oriented at times.*

DESCRIBE THE NEXT FIVE YEARS OF YOUR LIFE AND YOUR PLANS?

*Over the next five years, I hope to continue expanding my work in fashion editorials, campaigns, runway, and luxury collaborations while building a recognizable and lasting presence within the industry. I also want to continue developing projects connected to beauty, wellness, and creative branding.*

WHAT PROJECTS ARE YOU CURRENTLY WORKING ON?

*Right now, I'm focused on editorial publications, Miami Swim Week projects, portfolio development, runway opportunities, and luxury swimwear and beauty collaborations. I'm also continuing to refine my creative direction and long-term brand identity as a model.*
